LOGNOTE -- Chief, Operations Group, 22 November 1983

1. Following from this morning's staff meeting: 25X1
 - DD/OS is conducting a study of security in outlying buildings; no one really expects much to come of it.
 - The Cut of DD/S&T positions from FBIS) is firm. 25X1
 - On 29 November another session on the health insurance open season will be held in the bubble. The first one was sold out. 25X1
 - Art Buchwald will speak in the bubble on 7 February. Tickets will be available later.
 - OTE is going to offer a shorthand refresher. This is not a basic training course but is intended to help qualify people who have some shorthand but have not met Agency standards.
 - Congress did approve some domestic relocation benefits before adjourning. There will be an increase in HHE weight allowance (to 18,000 lbs.) and some monetary improvements including help with housing sales or settlement. SSA/DDA is working feverishly on this and A/S will have details as soon as they are available.
